

Erratum

In the December 2008 issue of *The Journal of Pain* (Volume 9, Issue 12), Peter Dalton was inadvertently excluded from the list of authors for "Trends in funding for research on pain: a report on the National Institutes Of Health grant awards over the years 2003 to 2007," in *J Pain* 9:1077-1087. Mr Dalton is from the University of Utah, Department of Anesthesiology, Salt Lake City, Utah, and the correct author list is as follows: David H. Bradshaw, Court Empy, Phillip Davis, David Lipschitz, Peter Dalton, Yoshio Nakamura, and C. Richard Chapman.
