Copyright Transfer. In consideration of the acceptance of the above work for publication, I do hereby assign and transfer to The American Pain Society (APS) all rights, title, and interest in and to the copyright in the above titled work. This includes preliminary display/posting of the abstract of the accepted article in electronic form before publication. If any changes in authorship (order, deletions, or additions) occur after the manuscript is submitted, agreement by all authors for such changes must be on file with the APS. An author's name may only be removed at his/her own request. (Note: material prepared by employees of the US government in the course of official duties cannot be copyrighted.)

*For commercial companies, authorized agent signatures are allowed for copyright transfer but authors must sign for authorship responsibilities.

Authorship Responsibilities. I attest:

- 1) The manuscript is not currently under consideration elsewhere and the research reported will not be submitted for publication elsewhere until a final decision has been made as to its acceptability by the journal (**posting of submitted material on a web site is considered prior publication**);
- 2) The manuscript is truthful original work without fabrication, fraud, or plagiarism;
- 3) I have made an important scientific contribution to the study and am thoroughly familiar with the primary data; and
- 4) I have read the complete manuscript and take responsibility for the content and completeness of the manuscript and understand that if the paper, or part of the paper, is found to be faulty or fraudulent, I share responsibility.

Conflict of Interest Disclosure. All funding sources supporting the work and all institutional or corporate affiliations of mine are acknowledged. Except as disclosed on a separate attachment, I certify that I have no commercial associations (eg, consultancies, stock ownership, equity interests, patent-licensing arrangements) that might pose a conflict of interest in connection with the submitted article (letter attached).

Please check if this article was written as part of the official duties of an employee of the US Government

Institutional Review Board/Animal Care Committee Approval. The undersigned author(s) certify that my institution has approved the protocol for any investigation involving humans or animals and that all experimentation was conducted in conformity with ethical and human principles of research.
